

About Second Chance at Life

Second Chance at Life is a 501 (c)(3) nonprofit that provides financial support to transplant patients in Michigan who cannot otherwise afford prescriptions, medical bills, and other necessities during and/or after a transplant.

In 2010, the nonprofit granted more than \$36,000 to transplant patients and participating transplant hospitals in Michigan. Most of that money was generated from fundraising events like our annual golf outing!

2011 Golf Outing

This is the 7th annual Second Chance at Life Golf Outing. We're excited to offer you the opportunity to enjoy a game of golf while benefiting transplant patients throughout Michigan.
