

## ***Nick Iverson Benefit Auction***

**Friday October 4, 2013**

**Spring Lake Holiday Inn**

**940 W. Savidge Street, Spring Lake, MI 49456**

**5pm-9pm**

**Great Auction items, Food, Drinks & Entertainment**

**Funds raised at this annual event are given to "Second Chance at Life" a non-profit organization that helps recipients and donor families through their life changing journey**

Nick donated his lungs, kidneys, spleen, pancreas, heart valves & corneas. The lives he was able to save seems like an amazing gift to the people who never expected to see their next birthday, to see their grandchildren or take part in everyday life. The gift they received had to seem amazing. Through our loss, someone else's life changed. Through our loss, we knew that Nick would have wanted to help others as he did during his young life.
